Explanation of responses:

- (1) Each restricted stock unit was the economic equivalent of one share of Novell common stock.
- (2) The 100,000 restricted stock units granted on December 4, 2006 vest 1/3 on each of December 4, 2007, December 4, 2008, and December 4, 2009. When the restricted stock units vest, they are automatically converted into shares of Novell common stock on a one-for-one basis.
